

2015 SUSTAINABILITY REPORT CARD

BENEFITS OF THE SOUTHBRIDGE LANDFILL

Host communities benefit both environmentally and economically by partnering with Casella. See detailed results below.

3,301,000 Pounds of Material Diverted from the Landfill

2,630,000 lbs.

Recyclable material collected and transformed into new products!

671,000 lbs.

Leaf and yard waste collected and transformed into nutrient rich compost!

\$4,121,000 of Annual Benefits for the Town

\$675,000

Residential Collection

\$75,000

Welcome Center & Haz Waste Day

\$3,224,000

Royalty, Capacity & Road Payments

\$141,000

Property Tax Payments

\$6,000

Community Donations

Environmental Impact Facts

A quick snapshot that illustrates how Southbridge's recycling efforts help the environment.

Let's keep up the great work!

In 2015, you recycled **1,651** tons of recyclables and yard waste.

That's like filling **42,563** curbside recycling carts and lining them up **8 times** from Southbridge to Sturbridge!

In 2015, you prevented **2,761** metric tons of greenhouse gases from being emitted.

That's like saving **310,000** gallons of gasoline.
